

# YOU'RE INVITED

## BECOMING VISIBLE

A Culture Conversation With FINN Partners and Special Guests in Honor of AAPI Heritage Month

FINN Partners is bringing together prominent voices and leaders about the recent surge of Asian hate crimes in a candid discussion on how to honor our shared history in the country, and together write a new story that is inclusive of our accomplishments, innovations and contributions. How can AAPI be more visible and share our stories? How do we help and empower the next generation of AAPI to have a stronger voice? How can we and our allies help us in our movement: **Becoming Visible.**
